

Note:

This brochure is intended for non-English speaking persons wishing to learn English. It is published in several languages in hopes that it will aid in the understanding of the services provided by the Lincoln Literacy Council. The LLC is a non-profit organization dedicated to matching students with volunteer tutors to teach English as a Second Language and Basic English skills.

We ask members of our community to aid anyone who may need help with this brochure. Please point out the map and phone number of our office. Our trained staff will begin working with them at that point. Thank you for your help!
