

# Padlet & Integrating Applied Digital Skills

[Padlet \(Links to an external site.\)](#) is a free, online "virtual wall" tool where users can express thoughts on topics of their choice. This online resource is free for any Lincoln Literacy Tutor to use and students with smartphone capabilities and take this tool with them in and out of the classroom.

[Why Padlet](#) [For school](#) [For business](#) [Help](#) [Log in](#)

## Collaborate better. Be more productive.

Make beautiful boards, documents, and webpages that are easy to read and fun to contribute to.

[SIGN UP, IT'S FREE](#)

Already using Padlet? [Log in.](#)

After signing up for free, tutors can create discussion forums and post media ranging from audio recordings, online links, gifs, videos, photos, website links, and more! Students can benefit from exposure to different ideas, media, and shared discussions!
